## TERMS & CONDITIONS – CHINAPLAS 2026

### Booking & Acceptance

A booking is deemed confirmed and these Terms & Conditions are considered accepted upon the earliest of: (a) the client making any payment towards the tour, or (b) submission of the signed Booking/Registration Form. By making any payment, the client unconditionally accepts all Terms & Conditions, including the cancellation, operational cost recovery, and no-refund policies, whether or not the Booking/Registration Form has been signed at that time. The non-refundable booking deposit is payable immediately to secure services.

### Commencement of Services

For the purposes of these Terms & Conditions, services commence immediately upon booking confirmation and include, but are not limited to: blocking and securing airline seats, hotel rooms, coaches, and other travel arrangements; making advance payments to suppliers; itinerary planning, visa support, event coordination, staff allocation; and allocation of operational resources including salaries, office rentals, utilities, and overheads. These services are considered rendered from the moment of booking and are non-reversible.

### Operational & Pre-Event Service Costs

The Company operates on an event-to-event basis and incurs significant fixed operational costs. From booking confirmation, the client is liable for their proportionate share of these costs, which are non-refundable under all circumstances, including if the client cancels or if the event/tour is cancelled due to circumstances beyond the Company's control.

### Group Size & Price Basis

Package prices are based on a minimum group size of 45 adults. If the number of participants falls below this minimum, the Company may: (a) Cancel the tour without liability beyond refunds recovered from suppliers (less operational & administrative costs), or (b) Operate at the reduced group size with a price adjustment, payable by each remaining participant before departure or change in service commitments.

### Price Variation

The Company reserves the right to amend the tour price due to circumstances beyond its control, including but not limited to currency fluctuations, increases in airline/hotel/coach charges, changes in fuel costs, tax revisions, or reduced group size. Such adjustments must be paid within 7 days of notification; failure to pay may result in booking cancellation without refund.

### Cancellation Charges

Cancellation charges apply from the moment of booking, regardless of whether the tour has physically commenced.

Any time after booking: INR 35,000 (non-refundable booking deposit) + airfare cancellation charges per person or actual supplier and operational costs, whichever is higher.

180–90 days: 50% of total tour cost or actual supplier + operational costs, whichever is higher.

90–45 days: 75% of total tour cost or actual supplier + operational costs, whichever is higher.

Less than 45 days: 100% of total tour cost.

“Supplier costs” include airline, hotel, transport, and other pre-paid arrangements made on behalf of the client. “Operational costs” include proportionate salaries, office expenses, utilities, and event coordination costs.

### Force Majeure & Event Cancellation

The Company shall not be liable for delays, changes, or cancellations due to events beyond its control (including pandemics, epidemics, quarantines, lockdowns, natural disasters, strikes, terrorism, political unrest, or government travel restrictions). No refunds will be provided in such cases. Any goodwill rescheduling or credit will be at the Company's sole discretion. If the Company cancels the event/tour for any reason, refunds (if any) will be limited to amounts actually recovered from suppliers, less operational & administrative costs.

### Visa & Documentation

Visa assistance is provided, but visa grant/refusal is at the sole discretion of the relevant embassy/consulate. Visa refusal or delay does not entitle the client to a refund; cancellation charges will apply as per policy. The client is responsible for ensuring valid travel documents.

### Supplier Liability

The Company acts solely as an intermediary between clients and suppliers (airlines, hotels, ground operators, event organisers). The Company is not responsible for acts, defaults, or omissions of such suppliers. Any refunds from suppliers (if applicable) will be passed on to the client after deducting operational and administrative costs.

### Client Conduct

Misconduct or behaviour affecting the safety or enjoyment of other participants may result in removal from the tour without refund, at the client's expense.

### Personal Belongings

The Company is not liable for loss, theft, or damage to personal belongings.

### Insurance

Travel insurance is strongly recommended to cover risks such as cancellations, medical emergencies, or baggage loss. The Company is not liable for losses not covered by insurance.

### Dispute Resolution & Jurisdiction

Any disputes will first be referred to binding arbitration under the Arbitration and Conciliation Act, 1996, by a sole arbitrator appointed by the Company. Arbitration will be conducted in Ahmedabad, Gujarat, in English. Subject to the above, courts in Ahmedabad, India, will have exclusive jurisdiction.

### Governing Law

These Terms & Conditions are governed by the laws of India, including the Consumer Protection Act, 2019, to the extent applicable.
