

Beyond Grateful

A Message from the Director's Desk

Dear Friends,

I am filled with deep gratitude and a profound sense of fulfillment as I reach out to you today.. When I embarked on the journey of founding Focus Exhibitions and Leisure Tours, my goal was simple— to use the knowledge and experience I've gained in the travel industry to make a lasting impact and to create experiences that are not only memorable but truly transformative.

I am fortunate to be surrounded by a team of passionate, skilled, and highly competent professionals who share this vision. Together, we bring years of expertise to every facet of the travel experience. Each one of us is dedicated to ensuring that our clients receive nothing short of excellence, from the smoothest of travels to seamless event management, all while upholding the values that define us.

I also feel incredibly privileged to have the support of our group companies, such as Lallooji & Sons, whose 100-year-old legacy in large-scale events and exhibitions continues to inspire and guide us. Their reputation for excellence and the team's remarkable ability to bring any event to life has been a key cornerstone in our growth.

Our partnership with Focus Design, which specializes in exhibition stall design and fabrication, is another example of how we go above and beyond to serve you. Their expertise ensures that your trade show presence is executed with precision and attention to detail, something that truly sets us apart in the industry.

Thanks to these remarkable alliances and our customer-first approach, we are able to provide comprehensive, tailored solutions all under one roof. Whether it's for Trade fairs, MICE, Leisure travel, Kids First or educational tours, our commitment to delivering stress-free and exceptional experiences is unwavering.

None of this would be possible without the trust and support of our valued clients and partners. For this, I am truly thankful. We will continue to work tirelessly to exceed your expectations and remain at the forefront of the travel and event industry.

I look forward to the opportunity to serve you and to create memorable journeys together.

Warm regards,

Mithun Bhayani,
